

Roger Yordy Courage & Determination Award

The Greater Cedar Valley USBC thru the Hall of Fame Committee made a decision in 2016 to institute a new award to be presented periodically to a member who demonstrates extraordinary courage and determination in their commitment to bowling. The award will be named the Roger Yordy Courage and Determination Award. Roger is remembered for the tremendous amount courage and determination he displayed to keep bowling in spite of a major battle with cancer. His amazing love of bowling and the desire to continue participating in the sport in the face of overwhelming obstacles epitomize what this award will represent each time it is presented.
