In addition, Jeannette Young will be inducted posthumously.

## GENE'S SENIOR MOMENTS . . .

There's a number of reasons that Senior bowlers bowl more than one league. Following are only a few of the many reasons for bowling a senior league.

1. Bowling is a sport that you can enjoy as long as you're able to walk and lift a bowling ball. Most senior leagues can be started when you reach the age of 50 years and continue through life. However, bowlers will not be able to receive USBC awards until 55 years of age.

2. Bowling is a great social club. Seniors have the enjoyment of their own team members and other league members whom they compete against. Nearly all of your local leagues have coffee breaks of about 15 minutes so they can relax and socialize with all members of the league.

3. A senior bowler in most leagues will bowl on a mixed team (great way to meet people). There are 400 plus

bowlers in the senior age group in the Greater Cedar Valley and 80% bowl in more than one league.

4. In most leagues, if the bowler is absent and can't find a replacement, the bowler will pay only 50 cents into the prize fund instead of their regular league fees. Subs in most senior leagues will pay for their own bowling, differing from evening bowling in that an absent bowler pays the total cost for a sub or absent bowler spot.

5. Most teams are made up of only 3 or 4 bowlers and bowl at 9:00 am or 1:00 pm (daylight hours only) throughout the season.

6. Maple Lanes has one basic set of rules covering all daytime leagues with the only difference being the cost of bowling or absent bowler fees. The cost of many senior leagues is only \$6.00 or \$6.50, very inexpensive as compared to evening leagues where you will more than likely pay at least twice as much. The Senior Classic

League at Cadillac Lanes charges \$10.00 per bowler, still less expensive than evening leagues.

All leagues have the normal officers, President, Vice President and Secretary/Treasurer. Each league will elect their own officers. These officers conduct preseason meetings, calculate year end awards and plan a year-end banquet. In some leagues an eight or nine pin sweeper is held in conjunction with the meal.

In conclusion, if you are 50 plus years and are sitting around with nothing much to do but watch TV, get out of your rocker and enjoy the friendship of senior bowlers. They are some of the greatest people in the Cedar Valley!

P.S.....3 strikes in a row means hugs from the opposite sex!!! All this for just a small expenditure in time and money.

## The Best Yet???

Farewell to another great bowling season. As this season draws to a close, I can't help but reflect on some of the highlights. The great scores, such as 61 year old Judy Toepfer's first 300 game and 700 series. What about Brittney Dyer's perfect game in the WBA state tournament. Some terrific nights in the Viking League with a veritable host of big scores. As if to cement the fact, Emmett Tragord shoots 299 and 824 immediately after returning from his induction into the BA Hall of Fame. Nearing the end of this season, Roxie Bush shoots her first ever 298 game. Hard to imagine with all the big scores Roxie has posted in her career. Another personal highlight for Jaime Clay, a 158

average bowler not only shoots her first 600 earlier this season, but nearing season's end follows up with her first 700 series. The Masters League is trying something new the last 8 weeks, a short 8 week league competing on the tough shot featured at the USBC BA Tournament in Reno. Many of these bowlers will be heading to Reno for competition following the conclusion of their season. Be on the watch for some big scores from local bowlers competing in Reno.

Can you believe it's over so fast? Why not keep your bowling game in shape for 2011-2012 and join a short summer league? Both of our local centers offer summer leagues, just check with your local center and find out what's available. You're sure to find something to your liking and a perfect fit for your schedule.

Practice, Practice, Practice is the word for this summer!

If you choose not to bowl in the off-season, have a terrific summer and we'll see you back out on the lanes in late August or early September.

## BVL (Bowlers to Veterans Link) Mail-In Tournament 2010

On behalf of the Iowa State WBA Board of Directors, I salute you, the league bowlers and those of you who coordinated your associations BVL Tournament entries. Our fourth tournament is the best ever. We had 1123 entries in the WBA divisions and 1121 entries in the BA divisions for a total of 2244. I was overwhelmed by the entries, but am not complaining. The hours sitting in front of my computer entering names and scores was well worth it. I will be sending a check to BVL for more than \$4488 which is the amount from the entries. This does not include any donations received and any other money from our state tournament raffles, etc. I will request that the majority of the funds submitted be returned to our state association to personally hand the funds over to the veteran's facilities in the state of Iowa.

Congratulations to our five division winners:

**Women's Division 1**

Billie Goyette, Davenport Metro

**Women's Division 2**

Tammy Rhine, Creston

**Women's Division 3**

Lindsey Johnson, Greater Cedar Valley

Open Division 1 - David Peer, Mt. Pleasant  
Open Division 2 - Jack Garrey, Ames Area

The top associations entering were:

Greater Cedar Valley - 482

Ames Area - 308

Ft. Dodge - 232

The final prize listing is available by clicking the tournament tab on our web site [www.iowawba.com](http://www.iowawba.com). A check in the amount of \$4201.72 was sent to BVL from the 2009 tournament and donations. Charla received three checks in the amount of \_\_\_\_\_ each to be given to the three veterans facilities in Iowa. In December, Charla and I made our annual round trip to the Iowa City Veteran's Medical Center, the Des Moines Veteran's Medical Center and the Iowa Veteran's Home in Marshalltown. All three centers were very appreciative of our donations. David Worley, the Commandant in Marshalltown has bowled in leagues in other states. We expressed our desire for him to work with the bowlers in Marshalltown to submit entries from that association.

Some of our funds are kept by the BVL to help support other veteran's events, along

with "Recreation", an entertainment troupe of young men and women who entertain our veterans, Winter Sports Clinic Wheelchair Games and new this year, the TEE (Training Exposure Experience) Tournament held in Riverside Iowa. This was an event BVL asked our state board to represent them. Some of us attended the dinner to receive a plaque for BVL being a Gold Sponsor of the event. This meant they had donated at least \$10,000 to support this golf and bowling event for our veterans. The bowling event was at Colonial Lanes in Iowa City. A few of us were able to attend that event where 30 visually impaired bowlers had fun on the lanes. What a pleasure for us to be asked to present the medals to the winners.

BVL is there for our Veterans. We need to support it in every way possible. I want to thank all of you who submitted all the entries and ask that you go out this year and increase your entries once more. Each and every one of us knows a veteran. They are probably a family member or dear friend. We need to be there to support them. This tournament is an easy way to do that. Help us support BVL.

On January 10th of this year I got to witness a small piece of history. On lanes 41 & 42 at Cadillac Lanes on a Monday night, I got to see first hand one of the prettiest 300 games I have ever witnessed. Not like a 300 game is that big a deal in today's bowling world, but this one was special. Why? Because the person that shot it would be looked at by most as being a very unlikely candidate. I happened to be bowling on lanes 39 & 40 right beside Judy Toeffer that night. And at age 61, she threw 12 straight strikes and rolled a truly perfect 300 game. To roll a 300 game many would say you have to get a few breaks, some lucky shots, but all who witnessed Judy's 300 will agree she earned every one of them.

To say that it was special is an understatement. Firstly Judy's a woman and only 9 other local women bowlers had ever done it before her in Waterloo history. Secondly, Judy is 61 years old, far from what most bowlers would consider her bowling prime. Most bowlers would feel that their best scores were behind them. By the way Judy also scored her first 700 series in her 31 year bowling career, a 724.

I think this is why those who love to bowl, love the game of bowling. Bowling is one of those special sports where you do not have to be a great traditional athlete (run fast, jump high, hit a ball with a bat, or shoot a ball through a hoop) to be a great bowler. Trust me, it helps, but is not always necessary. Bowlers do not have to be in his/her prime to achieve success in our game. In fact you only have to be young at heart. If you can walk, you can bowl and participate in a great game for everyone. At age 61 Judy shows us all that in bowling it's never too late to accomplish your dreams no matter how high they are. That's what makes bowling a true "life" sport.

## Annual Meeting & Awards Banquet

The bowling season is quickly winding down! Secretaries, as one of your duties, you are to notify your league members of local association meetings. The 6th annual business meeting of the Greater Cedar Valley USBC Bowling Association is scheduled for Wednesday, May 4, 2011 at 7:00 pm in the meeting room at Cadillac Lanes. A part of the business to be conducted will be the election of Vice President, Directors and Delegates to state and national conventions. This meeting is open to all members of the association so we urge all bowlers to attend. Let's fill that room at Cadillac!

The 6th annual Greater Cedar Valley Awards Banquet will be held May 18 at the Local 838 Union Hall, 2615 Washington Street, Waterloo.

Social hour begins at 5:30 with a cash bar followed by dinner at 6:30. All league presidents, secretaries and treasurers are invited. Reservations are needed by May 12. If you wish to bring a guest, the cost will be \$5.00. Make your reservations by calling Loretta Wander, association manager, at 277-6745 or e-mail [gcvmanger@cfu.net](mailto:gcvmanger@cfu.net).
