**bowlers!!!!**

BVL was founded in 1942 by a group of caring and concerned bowlers who promised "We will not forget about the sacrifices made by America's service men and women."

BVL's first campaign during WWII raised money to purchase medical evacuation places to ferry the wounded home from the battlefields of Europe. They supported the dependents of those killed during Operation Desert Storm with college academic scholarships and they have shipped more than 550 portable carpet bowling lane kits to active duty troops in Iraq, Afghanistan and a host of other locales including the USS Enterprise and USS Ronald Reagan.
